No-wrap overlap case 0

Text beneath verlap region.
Following par ns in normal flow.

No-wrap overlap case 1

Text beneath erlap region.
Following par ns in normal flow.

No-wrap overlap case 2

Text beneath verlap region.
Following par ns in normal flow.

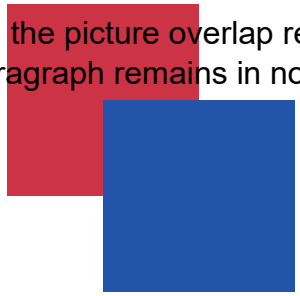

No-wrap overlap case 3

Text beneath erlap region.
Following par ns in normal flow.

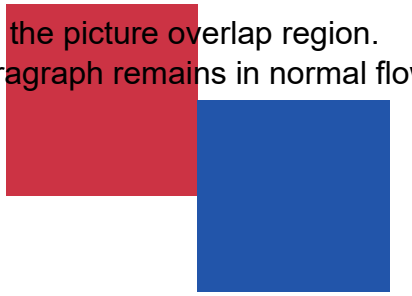

No-wrap overlap case 4

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

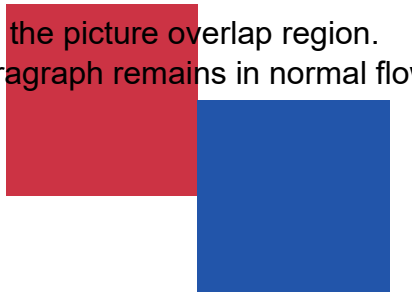

No-wrap overlap case 5

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

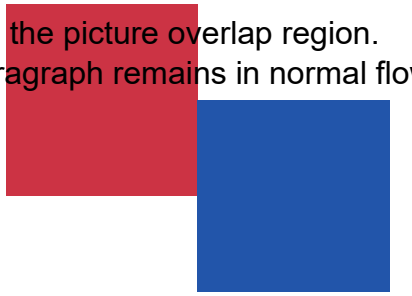

No-wrap overlap case 6

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

No-wrap overlap case 7

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

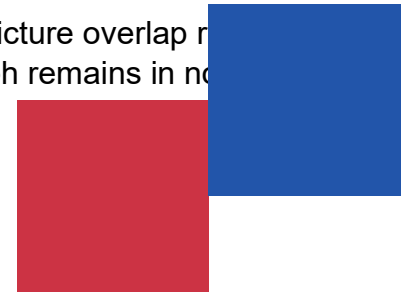

No-wrap overlap case 8

Text beneath
Following par  ow.

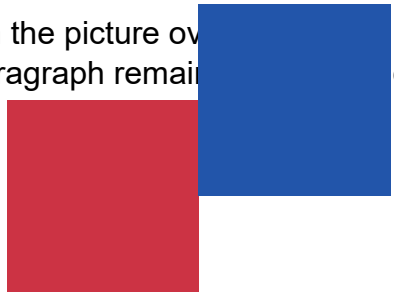

No-wrap overlap case 9

Text beneath the picture overlap r
Following paragraph remains in n

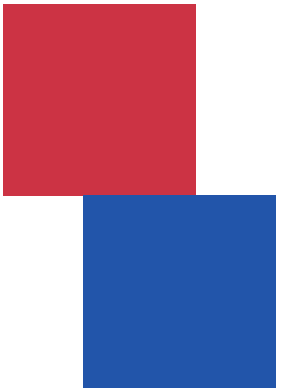

No-wrap overlap case 10

Text beneath the picture ov
Following paragraph remai ow.

No-wrap overlap case 11

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

No-wrap overlap case 12

Text beneath
Following par  ow.

No-wrap overlap case 13

Text beneath erlap region.
Following par ns in normal flow.

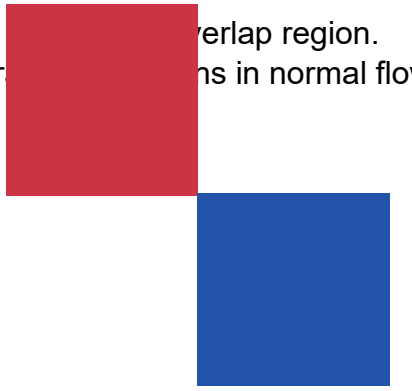

No-wrap overlap case 14

Text beneath
Following par  ow.

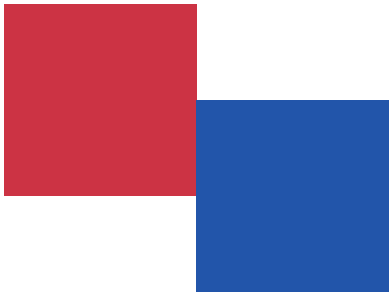

No-wrap overlap case 15

Text beneath erlap region.
Following par ns in normal flow.

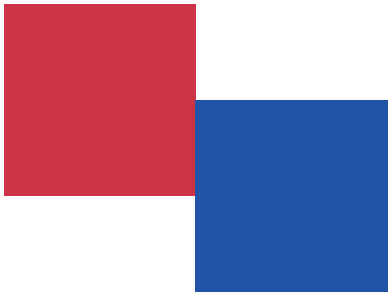

No-wrap overlap case 16

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

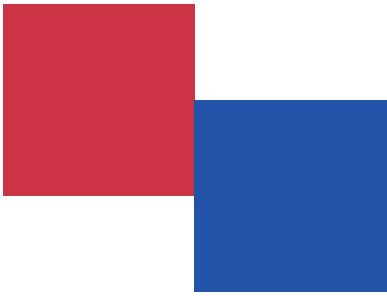

No-wrap overlap case 17

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

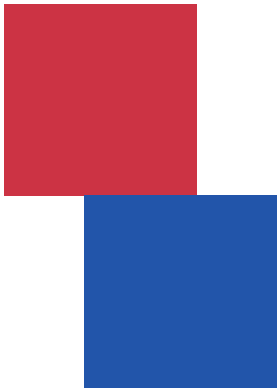

No-wrap overlap case 18

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

No-wrap overlap case 19

Text beneath the picture overlap region.
Following paragraph remains in normal flow.

No-wrap overlap case 20

Text beneath erlap region.
Following par ns in normal flow.

No-wrap overlap case 21

Text beneath the picture overlap region.
Following paragraph remains in normal flow.
